Today's Guest Speaker: Dr. Scott Smith

Suncoast Healthcare Professionals

Our very own Dr. Scott Smith will speak to us today.

In June of this year, Scott, along with his friends and partners Drs. Shawn and Sara Leatherman, formed

Suncoast Healthcare Professionals. Their business was established to provide the most comprehensive wellness facility available; and to supply the highest caliber conservative healthcare to men, women and children of all ages. Care is rendered with compassion, integrity, and respect, while placing patient dignity, autonomy and concerns foremost.

Scott was born and raised in Tampa Florida. After graduating High School, he joined the Army in 1990 and was sent to Fort Sam Houston and trained as a combat medic and surgical assistant assigned to an infantry unit at Fort Benning, GA. He spent a few years in the Army and went from active duty to the Army reserves, joining a hospital unit while attending college in Tampa. While actively drilling in the reserves, Scott worked with ophthalmologists at Saint Joseph Hospital on their surgical trauma team for five years.

Scott moved to Kansas City, MO in 1997 to attend Chiropractic school at Cleveland Chiropractic College. Dur-

ing Chiropractic College he belonged to a combat engineer unit as a medic with the rank of Staff Sergeant in the Missouri Army National Guard. In 1999 he took a semester off and attended Officer Candidate School (OCS) commissioning as a Second Lieutenant branched aviation and was sent to flight school at Fort Rucker, AL. While in flight school Scott was trained on the OH-58A/C Kiowa helicopter and then the AH-64A Apache. After flight school he returned to Missouri assigned to 1-135th Aviation Battalion where he was designated as B company platoon leader, promoted to

First Lieutenant and assigned as the Battalion S-4 Logistics Officer. Scott was then promoted to Captain and assigned Company Command position for A company 1-135th AVN BN. While continuing his military career in the National Guard, he completed his Chiropractic training and graduated in December of 2002. After graduation Scott moved to Houston, TX to work for a large healthcare group and then eventually moved to the Panhandle.

Scott is active in many professional organizations, and in his free time enjoys scuba diving and fishing with fellow Rotarian and friend Jeff Hooten.

WHAT PAUL HARRIS SAID

"But, we ask, must the best genius of men be devoted to the science of war and none to the science of averting it?"

ROTARY FOUR WAY TEST

- 1) Is it the truth?
- 2) Is it fair to all concerned?
- 3) Will it build goodwill and better friendships?
- 4) Will it be beneficial to all concerned?

NWF Daily News.... STOPS THE PRESSES!

On Thursday, October 24, 2006, Northwest Florida Daily News publisher and fellow Rotarian Tom Conner, proffered a behind the scenes look at the newspaper business.

Tom Conner explains the printing process.

As business leaders and Rotarians, we are encouraged to share our skills and expertise through vocational service, one of the Four Avenues of Service. To celebrate Vocational Service Awareness month, Tom invited Rotarians to learn first-hand how the newspaper printing process has changed over the years.

Approximately 70 Rotarians and their spouses enjoyed an evening at the Daily News visiting the various departments. Rotarians learned how plates are prepared and ultimately how they are used to make the final news-print.

Rotarians enjoy a tour of the press room..

Vocational service

plays a vital role in improving the quality of life for those hardworking members of the community who need direction and expertise. President Miceli said

"this is a wonderful opportunity for fellow Rotarians to share in vocational service. We thank Tom and the Daily News for opening their doors to our Club members." All who attended agreed,

the refreshments were outstanding and a good time was had by all.

Special kudos go to Tom Conner and his staff, and Debbie Kernan, Community Service Chairwoman, for organizing this fun and informative event.
