***Carol Hayes of Destin is a violinist and violist with the Northwest Florida Symphony, the Philharmonic Society and the Pensacola and Mobile Symphonies. From 1974-1996, Carol was principal violist for the US. Marine Chamber Orchestra, which serves the White House for State Occasions. She performed for five Presidents; appeared on PBS television; in concerts at the State Department, Kennedy Center, churches, and galleries. She has a BME degree from Indiana University and a Master's Degree In violin from Catholic University of America in Washington, DC. Honors include Performer's Certificate from Indiana University and selection to Alpha Lambda Delta and Mu Phi Epsilon. She taught at Old Dominion University (Norfolk, Va.); presented Workshops at University of Wisconsin and Mount Royal College, in Calgary. Since moving to Destin, in addition to her symphony work, Carol performs for weddings and private parties.***

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## THE ROTARY FOUR WAY TEST

- 1) Is it the truth?
- 2) Is it fair to all concerned?
- 3) Will it build goodwill and better friendships?
- 4) Will it be beneficial to all concerned?

## Quote of the Day

***“You miss 100 percent of the shots you never take.”***

***- Wayne Gretzky, Former NHL Hall of Fame Player and Coach***

### **THE "COLD" CHAIN**

When Rotary launched PolioPlus in 1985, the "plus" signaled the belief that the polio eradication effort would increase immunizations against five other diseases prevalent in children: measles, tuberculosis, diphtheria, whooping cough, and tetanus. As time went on, the list of benefits grew.

Polio immunization campaigns created an avenue for other lifesaving health interventions, such as the distribution of vitamin A supplements. New equipment for transporting and storing vaccines made it easier to combat infectious diseases in developing areas.

The enormous network of laboratories and health clinics charged with identifying new cases of polio began to monitor the spread of other viruses as well. And the Global Polio Eradication Initiative, which Rotary helped create, rose to international prominence as a model for public-private partnerships to address world health issues.

The "plus" in PolioPlus means that Rotarians are doing more than stopping the spread of polio in the last four countries in which it is endemic; they also are building a legacy of infrastructure and partnerships that will support the fight against infectious disease long after polio is gone.

### **NEW MEMBER PROPOSAL**

Charlie Palmer has been proposed for membership in our club by Andy Corbin. Charlie is a developer in Georgia and in the local area. He is also very involved with the First Tee organization whose mission is to impact the lives of young people by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf. Unfortunately, Charlie is also a dedicated War Eagle and our quota for such persons may be at its limit.
